

Summer 2007

Dear Community Member:

You may have read or heard about the efforts underway to build a new community playground at the old school grounds in Sherwood. The playground will be a great addition to and a wonderful gift to the children in our community. We have partnered with Play Mart Playgrounds to draw up plans for a wonderful new playground for our neighborhood. The equipment is made out of recycled milk jugs. The playground is ADA approved and will provide many years of sturdy and safe play for our children. The total estimated project will cost around \$60,000. We will be raising money through fundraisers as well as community donations. We are getting close to our goal and have raised approximately \$46,650.

The playground will be located at the old Sherwood Elementary school grounds. The land has been donated by the Village of Sherwood. The Sherwood Community Playground will be nestled in a centrally located, open area of Sherwood, making it easily accessible, safe and family friendly. The addition of a playground to this facility will only enhance the Town's obligation to meet its community's diverse recreational needs. On behalf of the Sherwood Community Playground Committee we would like to solicit your help to make this dream a reality. We hope that you can find it within your means to support our cause.

With the help of everyone this dream will come true; the secret is to get the entire community on board. No donation is too small and none too great. Any donation will be greatly appreciated. All village patron, bronze, silver and gold donations will be recognized on a plaque to be erected at the playground. (See donation levels at the bottom of the sheet.)

We are also looking for a donor that may be interested in naming rights. We will take pledges of interested donors and trusts interested in naming the new park. Our committee members would love to discuss this with you further if you are interested.

We have enclosed a pledge sheet for your consideration and would truly appreciate your help. Thank you for taking the time to review our proposal and we look forward to hearing from you. Should you have any questions or need additional information please feel free to contact Melissa Karzynow at (419) 899-3926 or Michael and Shelly Sudholtz at (419) 899-2908.

Sincerely,

Sherwood Community Playground Committee

-----  
Please accept my donation as follows:

- Other Amount Amount \_\_\_\_\_
- Village Patron (\$250 - \$349)
- Bronze (\$350 - \$499)
- Silver (\$500 - \$999)
